The Constitution Day, also known as Samvidhan Diwas, is celebrated on 26th November every year to commemorate the adoption of the Constitution of India and to promote “constitutional values amongst citizens”. On 26th November, 1949, the Constituent Assembly formally adopted the Constitution of India. It came into force on 26th January, 1950 which is observed as Republic Day. 26th November was marked as the Constitution Day of India by Prime Minister, Shri Narendra Modi in the year 2015 as a part of the year-long celebration of the 125th birth anniversary of Dr. B.R. Ambedkar. The Constitution Day of India aims to bring awareness on the importance of the Indian Constitution and its architect, Dr. B.R. Ambedkar. The people of India are the ultimate custodians of the Constitution. It is in them that sovereignty vests and it is in their name that the Constitution was adopted. The Constitution empowers the citizen but the citizen, too, empowers the Constitution – by following it, by adhering to it, by protecting it and by preserving it to make it more meaningful with words and deeds. The Constitution is nobody’s preserve and it is everybody’s preserve.

The Commemoration Function of 'Samvidhan Divas' was addressed by Hon'ble Principal Dr. Sanjay Bokade. He emphasized on the fundamental duties which should be followed by each and every citizen of India to make our country more prosperous. Mass Reading of the preamble to the Constitution at an appointed time and reading of fundamental duties were done by all teaching and non teaching staff.
