REPORT ON RGIT EDUFAIR IN ASSOCIATION WITH IMPERIAL OVERSEAS EDUCATION CONSULTANTS

Held on: 19th August, 2019

Venue: Stilt Area, Ground Floor

Time: 11:00 AM to 01:15 PM

IEEE RGIT, the biggest technical committee, organized an education fair in association with Imperial Overseas Education Consultants. The education fair was conducted on the 19th of August, 2019 from 11:00 AM to 01:15 PM in the stilt area on the ground floor.

The event was conducted in the presence of 20 delegates from universities in USA, Australia, etc. These delegates represented various universities like University of Texas at Arlington, University of Colorado Denver, Pace University, University of Illinois, Clemson University, Binghamton University, University of Massachusetts Lowell, University of Illinois at Chicago, Arizona State University, etc.

Prospective students were given with an opportunity to interact one-on-one with these delegates and get a proper and deep insight into the courses, fee structures, campus lives, etc. in their respective universities abroad. These students were given out pamphlets, brochures, information guides.

This education fair was divided into four sections. The first section consisted of registration for the fair, scanning the QR Code and entry into the stilt area. The next section was where the students were briefed and counselled about the courses of their interest. In the next section, the students were guided by volunteers from IEEE to the respective desks of the universities of their interest. In the last section, students were given post-counselling about the universities, scholarships.

Later, the H.O.D.s of all the departments visited the fair and Dr. S. D. Deshmukh, Branch Counsellor of IEEE RGIT, gave the vote of thanks for the same.
