About the Institute

The great visionary & philanthropist Hon. Vilasrao Deshmukh founded Manjara Charitable Trust in the year 1988. In 1992, the Trust started the college of Engineering at Airoli (Navi Mumbai) to meet the demand of engineering & technocrats in the country. The institute was renamed as Rajiv Gandhi Institute of Technology & shifted to the permanent campus in 2002. Over the past one & half decades, the Institute has marched towards the pinnacle of glory through its remarkable achievements & laurels in the field of Engineering Education. The institute is committed to impart quality education by ensuring practical, innovative, technology-driven delivery of the programs & creating outstanding managers & technocrats who make valuable contribution to the global business & society to suit their ever changing needs.

- Recognized by All India Council for Technical Education, New Delhi.
- “A” Grade awarded by Govt. Of Maharashtra.
- ISO: 9001-2008 Certified Institution.
- Permanently affiliated to University of Mumbai
- National Board of Accreditation (NBA) accredited undergraduate programs in Mechanical Engineering, Electronics & Telecommunication and Computer Engineering
- Institute offers 4-year degree engineering Courses in Mechanical, Electronics & Telecommunication, Information Technology, Computer & Instrumentation Engineering.
- Institute also offers PG Programs in Mechanical, Electronics & Telecommunication, Computer Engineering & Information Security.
- Institute offers Research Programme (PhD) in Electronics & Tele-communication, Computer & Mechanical Engineering.

Department of Mechanical Engineering

The Department of Mechanical engineering was established since inception of this institute in 1992. The department offers B.E., M.E. program in Heat Power & PhD Program. A team of highly qualified & experienced staff is the major strength of this department. The Department focuses on cutting edge technologies & updates the faculty about the current trends in the field of Mechanical engineering. The academic leadership of department aims at preparing students for the better & secure future

About "Alumni Speak Series"-

This time department has organized online Alumni Webinars named "**Alumni Speak Series**" to provide the virtual platform to alumni to express their experiences, insights and share knowledge to the present students. Under this series, department invited distinguished senior alumni. This series also offered opportunity to the students to learn & get motivated in this present covid -19 pandemic situation.

Objective of Alumni Speak Series-

- To provide the virtual platform to alumni to express their experiences, insights and share knowledge to the present students.
- To create awareness among the mechanical engineering students about exploration of career opportunities in interdisciplinary fields.
- To familiarize with the latest technological development in engineering field.
- To establish the linkages with industries with the help of alumni and thereby promote Training and placement activities of mechanical engineering department.

About Participants-

Students joined online by youtube as well as Zoom app students from various Engineering and Technological Institutes from India. Live streaming was done on "MCT'S RAJIV GANDHI INSTITUTE OF TECHNOLOGY MUMBAI YOU TUBE CHANNEL" as well as "ZOOM APP."

Participation for all was free of cost.

From Department Alumni Coordinator-Expression of Gratitude-

I ,Prof.N.K.Deshmukh deem it a great honour to propose the vote of thanks to all who have helped in making “Alumni Speak Series” such a resounding success.

I would like to propose hearty vote of thanks to all our distinguished and respected alumni namely,Mr.Ajay Sharma, Mr. Aniket Chaudhary, Mr. Prafulla Dhangat, Mr. Tarun Ochani for taking their precious time out and accepting invitation of this event.Indeed alumni’s words of experience and encouragement will definitely inspire students to seek job in various fields of engineering.

The event like this can not happen overnight.The wheels start rolling a month ago.It requires planning and birds eye details.I take this opportunity to thanks our organizing and technical team members for their amazing work behind the curtain.
