**(Permanently Affiliated to University of Mumbai)**  
**Department of Information Technology**

### **About the Department**

Information Technology is an interdisciplinary field primarily concerned with the analysis, collection, classification, manipulation, storage, retrieval and dissemination of information. To create the Information Technocrats, Rajiv Gandhi Institute of Technology pioneer the Department of Information Technology in the year 2002 with the sanctioned intake of 60 students. The course is approved by AICTE, New Delhi, affiliated to University of Mumbai. Based on AICTE guidelines, the Faculty of Science and Technology.

University of Mumbai, has proposed to offer various Honours/Minor degree program corresponding to each engineering program. In accordance with the University Guidelines, Department of Information Technology has introduced Honours and Minor degree program from the year 2022-2023 in order to facilitate the students to choose additionally the specialized courses in the emerging areas of their choice and build their competence in such domains. Information Technology students have opted this course as a Honour Degree Program and Instrumentation Engineering, Mechanical Engineering students opted this course as a Minor Degree Program.

Students, faculty, and staff collaborate to unite technology, people, and information to make a fundamental difference in this knowledge society, a society in which citizens collaboratively and freely create and share knowledge and utilize information and technology to promote growth, prosperity, and well-being.

The main focus of the department is to produce graduates with strong fundamentals in Information Technology domain. There is a distinct entrepreneurial spirit in the students of the department. The department has well equipped classrooms and computer laboratories with high - end systems. Moreover, it has a rich departmental library. The department also has a Student Professional Body named ABIT.

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
(Permanently Affiliated to University of Mumbai)  
**Department of Information Technology**

---

### **Vision**

To create competent technical professionals in Information Technology with ethical behavior and environment consciousness.

### **Mission**

- 1.To provide contemporary and cutting-edge technical education in Information Technology.
- 2.To provide an ambience which nurtures research ideas in futuristic domains of Information Technology.
- 3.To initiate project-based learnings and practical exposures in the area of Information Technology.
- 4.To direct faculties in research and consultancy / advisory roles
- 5.To establish strong linkages with well-known national and international technical institutes and industry
- 6.To promote a culture of imbibing environmental care.
- 7.To aim to become a department of aspiration and choice.

### **Programme Educational Objectives**

**PEO1:** To prepare student with a sound foundation in Mathematic, Scientific and Information Technology fundamentals and prepare for employment, higher studies and research.

**PEO2:** To encourage the students to pursue higher studies in the field of specialization.

**PEO3:** To inculcate leadership, team work, entrepreneurship, professional ethics, Indian values and holistic development among students.

**PEO4:** To motivate student to the art of self-learning and solve complex real-life problems using modern scientific and IT tools.

### **PSO-Program Specific Outcomes**

**PSO1:** An ability to apply the knowledge in the multidisciplinary fields and make it IT enabled.

**PSO2:** To develop the knowledge of algorithms, data structures, cloud services, information security, programming languages and data analytics as an IT professional.

## Program Outcomes (POs)

**Engineering Graduates will be able to:**

**PO1. Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

**PO2. Problem analysis:** Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.

**PO3. Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

**PO4. Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

**PO5. Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.

**PO6. The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

**PO7. Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

**PO8. Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

**PO9. Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

**PO10. Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

**PO11. Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

**PO12. Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
(Permanently Affiliated to University of Mumbai)  
Department of Information Technology

## Human Resource

**Details of faculties in the Department-** The faculties in the Information Technology Department are highly motivated towards to use innovative teaching learning method. Department have the experience faculty in teaching as well as in industry.

### List of Faculty

Sr. No.	Name of the Staff	Qualification	Designation
1	<b>Dr. Sunil B. Wankhade</b>	B.E. (Comp), M.E.(Comp), Ph.D.	Professor & Head
2	<b>Prof. Shirish K. Sabnis</b>	B.E. (Electrical), M.E.(Inst)	Assistant Professor
3	<b>Prof. Abhay E. Patil</b>	B.E.(Comp), M.E.(Comp)	Assistant Professor
4	<b>Prof. Ankush G. Hutke</b>	B.E.(Comp), M.E.(IT), Ph.D. *	Assistant Professor
5	<b>Prof. Govind P. Wakure</b>	B.E.(IT), M.E.(IT)	Assistant Professor
6	<b>Prof. Anushree S. Deshmukh</b>	B.E.(IT), M.E.(IT),Ph.D. *	Assistant Professor
7	<b>Dr. Swati V. Narwane</b>	B.E.(Comp), M.E.(Comp), Ph.D	Associate Professor
8	<b>Prof. Rahul L. Jiwane</b>	B.E.(Comp Sci.), M.Tech.(Comp).	Assistant Professor
9	<b>Prof. Mrunalinee Patil</b>	B.E.(IT), M.E.(IT)	Assistant Professor
10	<b>Prof. Snehal Bhure</b>	B.E.(Comp), M.Tech.(Comp).	Assistant Professor
11	<b>Mr. Santosh Ghatkar</b>	B.Com. ADCSSA & A	Lab. Assistant
12	<b>Mr. Omkar Shinde</b>	ITI	Lab. Assistant
13	<b>Mr. Sanjay Daple</b>	X	Peon

 Department of Information Technology

## Department Level Committee Report

Department of Information Technology have various Committees. All committee members actively work on to enhance the overall performance of students and fulfilled Vision-Mission of Institute. Committee Members fully understand the individual roles and responsibility of the nominated positions in order to manage.

<b>Academic Committee</b> 1) Dr. S.B.Wankhade 2) Prof. S.K.Sabnis 3) Prof. A.E.Patil	This Committee arranged Parent-teacher meet for interaction between faculty and students Conducting practices like academic award functions to honor students for their academic excellence.
<b>Discipline Committee</b> 1) Dr. S.B.Wankhade 2) Prof. S.K.Sabnis 3) Prof. A.E.Patil 4) Prof. Ankush Hutke	Monitor and overserved the performance of the Disciplinary Squad in the prevention of in-disciplinary activity in the institution.
<b>Professional Body Committee</b> 1) Dr. S.B.Wankhade 2) Prof. Ankush Hutke 3) Prof. Govind Wakure	Provide direction to the activity of the organization, ensuring it is well run and delivering the outcomes for which it has been set up by college.
<b>Extra Co-Curricular Activities</b> 1) Prof. A.E.Patil 2) Prof. Govind Wakure	To foster leadership roles in the student Committee, enhance students' confidence, personality and improve skills
<b>ABIT Committee</b> 1) Dr. S.B.Wankhade 2) Prof. Nilesh Rathod	Conducted Workshops and Seminars. Also performs Cultural Activities.
<b>Project Coordinator Committee</b> 1) Prof. Swapnil Gharat 2) Prof. Anushree Deshmukh 3) Prof. Rahul Jiwane	Provide input on the strategic direction of the student projects. Monitoring the projects and conduct reviews to evaluate progress
<b>T&amp; P Coordinator Committee</b> 1) Prof. A.E.Patil	Helps in developing student's overall personalities by providing them soft skills & aptitude test training & practices. also give facility by offering campus credentials to make students interview ready.
<b>S/W Development Committee</b> 1. Dr. S.B.Wankhade 2. Prof. Govind Wakure 3. Prof. A.E.Patil 4. Prof. Ankush Hutke 5. Prof. S.K.Sabnis 6. Prof. Anushree Deshmukh	Monitor software requirements and make available to students
<b>S/W &amp; H/W Co-ordinator</b> 1) Prof. Ankush Hutke 2) Mr. Santosh Ghatkar	Provide required hardware and software to students and faculty and maintain records

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
**(Permanently Affiliated to University of Mumbai)**  
**Department of Information Technology**

<b>Time Table Co-ordinator</b> 1) Prof. Rahul Jiwane 2) Mr.Santosh Ghatkar	Preparing the Timetable System each Semester
<b>Departmental Book Library Co-ordinator</b> 1) Prof. Rahul Jiwane 2) Mr.Omkar Shinde	committee undertake to prepare & maintain books , book issue records & others library recourses
<b>Mid Term Exam Co-ordinator</b> 1) Prof. Anushree Deshmukh 2) Mr.Santosh Ghatkar	Conducting Term- test exams and other exam related work like sitting arrangements, preparing Exam duty chart and maintaining records and so on
<b>Class Advisor</b> 1) S.E(III): - Prof. Rahul Jiwane 2) T.E(V): - Mrunalini Patil 3) B.E(VII):- Prof. Anushree Deshmukh	The committee supervises the teaching learning process on regular basis
<b>Lab In-charge</b> 1) ICT :- Prof. Snehal Bhure 2) DBMS:- Prof. Anushree Deshmukh 3) OS:- Prof. Govind Wakure 4) MIS:- Prof. Govind Wakure	Monitoring of machines and resources and preparing reports, maintaining records like dead stocks etc
<b>Alumni Committee</b> 1) Prof.A.E.Patil 2) Prof.S.K.Sabnis 3) Mr.Omkar Shinde	Conducted seminar to meet all Alumni's of collage and provide guidance to student by sharing their journey.
<b>Internship Committee</b> 1) Prof.A.E.Patil 2) Prof.Anushree Deshmukh	Motivate student to do internship in various reputed company to make students corporate friendly and helped them to improve knowledge and skills. And also keep records of internship

## Student Activities (Curricular and Extra-curricular activities)

Department motivated students to participate in Workshop, Seminar, Technical paper presentation, project exhibition, social event, Sports, culture activities.

**M V Mandali's Colleges of Commerce & Science, Off Veera Desai Road, Andheri (w),**  
**Sports Fest "Clairvoyance 2024"**  
**Table Tennis Tournament (Singles)**  
RGIT won all the 3 ranks out of 26 Participating colleges  
**1st place took by Mayuresh Shinde from (SE-IT)**  
2nd place taken by Meher Kapoor (TE-COMP)  
3rd place was taken by Rugved lohar (BE-MECH)  
Date:23/01/2024

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
(Permanently Affiliated to University of Mumbai)

**PROJECT COORDINATORS REPORT (July 2023 - Jan 24)**

1. Name of Project Coordinators: **Mrs. Anushree Deshmukh, Dr. Swati Narwane, Mr. Rahul Jiwane.**
2. Academic Year : **2023-24**
3. Total Number of Project Gropus: **20**
4. No. of Reviews Conducted: **3**
5. Number Date of Project Counseling session and Name of the Counseling faculty: 22 July 2023  
From 11.00 am to 12.00 pm. by **Dr. Sunil Wankhade**
6. Project Calendar Display Dates:

<b>For Odd Semester (July to December)</b>	
29/07/2023	Project Guide Allocation
12/08/2023	Presentation on the Project Topics approved by Guide
08/09/2023	First Review (SemVII)
15/09/2023	Guide's approval on Report
06/10/2023	Second Review with Final Presentation for Semester (SemVII)
20/10/2023	Submission of E-Report to the Project Coordinator

<b>For Even Semester (January to May)</b>	
09/02/2024	First Review (SemVII)
22/03/2024	Guide's approval on Report
08/04/2024	Submission of Final Report
22/04/2023	Submission of Report to the Department Project Coordinator.

(Permanently Affiliated to University of Mumbai)  
Department of Information Technology

---

**7. Details of the financial support from the Institute:**

All financial support from the institute is given in the project file (5A).

**8. Research and Development projects by the Department**

**9. Details of Projects in Association with Industries or Research Organizations:**

**10. Projects Retained for Displays in the department:**

Projects are retained in the form of CD's attached along with Blackbook reports.

**1. Details of student's participation in competitions:**

Students participated in Technical festivals of different colleges all over Mumbai and won prizes for the same for the best presentation and best poster awards.

**2. Any additional comments of the coordinator:**

We are in continuous progress for research oriented projects so that the students get motivated for Masters and Doctorate Programs and develop research skills for the same. We are also focusing on multiple participation of students in National level Poster presentations, Research paper presentations.

## **S.E. Parents-Teachers Meet Report Invitation**

Subject: **Parents-Teachers Meet** on Wednesday, August 30, 2023

**Dear Parents,**

Greeting from the Department of Information Technology, RGIT!

We are happy to inform you that we are organizing **Parents-Teachers Meeting** for the Second Year Students on Wednesday, August 30, 2023. We request you to grace the meeting with your esteemed presence.

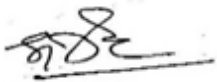

This meeting is necessary for a healthy interaction of the students' parents with the faculty members involved in teaching and mentoring the ward during the academic year. Further, this meeting will provide you the updates on all happenings about both academic and extracurricular activities at the Department of Information Technology, Rajiv Gandhi Institute of Technology. Your ward's performance and other details will be discussed in the meeting.

The details of the meeting are as follows.

Venue: 6<sup>th</sup> Floor, A-62, IT Dept.

Topic: Parents-Teacher Meet

Date and Time: 2.15 PM, August 30, 2023

**Dr. Sunil B. Wankhade**  
Head of Department (I.T.)

**Dr. Sanjay Bokade**  
Principal

**Prof. Rahul Jiwane**  
Class Advisor, SE IT.

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
(Permanently Affiliated to University of Mumbai)  
Department of Information Technology

### Parents-Teachers Meet: Schedule

Date	Event	Time	Event Handle by
30 <sup>th</sup> August 2023	Welcome to Parents	2:15 p.m.	Prof. Rahul Jiwane
	Principal's opening message	2:20 p.m.	Dr. Sanjay Bokade
	HoD's presentation on students activities, achievements	2:30 p.m.	Dr. Sunil Wankhade
	Alumni Interaction	2:45 pm	Ms. Arti Panchal
	Interaction with parants	3:00 p.m.	Teacher -Paraents
	Vote of Thanks	3:15 p.m.	Prof. Rahul Jiwane

**Date:** Wednesday, 30<sup>th</sup> August 2023

**Time:** 2:15p.m. to 3:15p.m.

**Class:** TE (AY: 2023-24)

**Venue:** 6th Floor, A-62, IT Dept.

The Department of Information Technology organized a Parent-Teacher meeting on Wednesday, 30<sup>th</sup> August 2023 in the conference room at 1.15pm. The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of student.

- **The agenda of the Parents-Teachers meeting:**
- Introduction to the Department.
- Students attendance and its importance.
- Participation of the students in the value added programs like Internship/ Conferences/ Workshops/ Extra Curricular and Co-Curricular/ Technical Courses.
- Vision, Mission, CO-PO, PSO, PEO.
- Academic Excellence.
- Parents-Teacher Interaction.
- Parents Expectations and Feedback

**The aims and objects of the Parent Teachers Associations: –**

- To foster positive interactions between members of the teaching staff and pupils' parents/guardians.
- To instill a passionate interest in its members for the efficient operation and advancement of the Department of Information Technology as well as for upholding good discipline and high scholastic standards.
- To create better understanding between parents and teachers.

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
(Permanently Affiliated to University of Mumbai)  
**Department of Information Technology**

- Knowing the pupils' strengths will help you improve your teaching strategy.
- To encourage students to engage in a variety of academic pursuits.
- To help parents and students to adopt themselves to the changing concepts of society.

Prof. Rahul Jiwane, Class Advisor (S.E.), presented the welcome speech and described how PTM can provide students with the best learning environment possible. Dr. Sunil Wankhade, the department head, delivered the opening address before introducing each faculty member to the parents.

**The remarks of this meeting with the parents are listed below:**

The parents were then given the opportunity to speak with the teachers about their child's achievement and attendance. The parent provided a very positive review of the programme and the faculty's involvement in all extracurricular and academic activities. They also praised the teacher ward system.

**Interaction of the parents with all faculty members.**

**Suggestions received from the parents.**

- Students counselling for weak Students.
- Counselling for internship.
- Real-time information is obtained through practical training in business.
- Written notes of the subject.
- Additional information about initiatives and industrial visits.
- A special programme for competitive examinations, an aptitude test.

On behalf of the Department of Information Technology, RGIT all the parents have been requested for their cooperation to improve the education as well as the student profile. Finally, feedback form given to all parents. The meeting ended with Vote of Thanks delivered by Prof. Rahul Jiwane, Class Advisor (S.E).

**Feedback Analysis:**

Q. No	Feedback Questions
Q1	The level of technical competency your ward has achieved?
Q2	The level till which your ward can effectively contribute to the community
Q3	The teaching and mentoring process in IT Department facilitates your ward in cognitive, social and emotional growth to solve socially relevant problems? (Ex. Project Work, Social Work through student forum)
Q4	Are they able to express their ideas openly?
Q5	Do you notice any development in your ward's communication skills?
Q6	Does student's forum (ABIT) encourage your ward to work in a team?
Q7	Efforts are made by the IT Department to inculcate soft skills, life skills and employability skills to make your ward ready for the world of work.

	Q1	Q2	Q3	Q4	Q5	Q6	Q7

	Vote of Thanks	11:55 p.m.	Dr. Swati Narwane

## **B.E. Parents-Teachers Meet Schedule**

**Date:** Thursday, August 31, 2023

**Time:** 11:00 a.m. to 12:00 noon

**Class:** BE (AY: 2023-24)

**Venue:** A-63

The Department of Information Technology organized a Parent-Teacher meeting on Saturday, Thursday, August 31, 2023 in the room A-63 at 11.00am. The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of student.

- **The agenda of the Parents-Teachers meeting:**
- Introduction to the Department.
- Students' attendance and its importance.
- Participation of the students in the value added programs like Internship/ Conferences/ Workshops/ Extra Curricular and Co-Curricular/ Online Technical Courses.
- Vision, Mission, CO-PO, PSO, PEO.
- Academic Excellence.
- Parents-Teacher Interaction.
- Parents Expectations and Feedback

### **The aims and objects of the Parent Teachers Associations: –**

- To foster positive interactions between members of the teaching staff and pupils' parents/guardians.
- To instill a passionate interest in its members for the efficient operation and advancement of the Department of Information Technology as well as for upholding good discipline and high scholastic standards.
- To create better understanding between parents and teachers.
- Knowing the pupils' strengths will help you improve your teaching strategy.
- To encourage students to engage in a variety of academic pursuits.
- To help parents and students to adopt themselves to the changing concepts of society.

Dr. Swati Narwane, Class Advisor (B.E.), presented the welcome speech and described how PTM can provide students with the best learning environment possible. Dr. Sunil Wankhade, the department head, delivered the opening address before introducing each faculty member to the parents.

**The remarks of this meeting with the parents are listed below:**

**MANJARA CHARITABLE TRUST**  
**RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI**  
(Permanently Affiliated to University of Mumbai)  
Department of Information Technology

- \* The parents were then given the opportunity to speak with the teachers about their child's achievement and attendance.
- \* The parent provided a very positive review of the programme and the faculty's involvement in all extracurricular and academic activities.
- \* They also praised the mentoring system.

**Interaction of the parents with all faculty members:**

The parents were happy to meet all course in charge. Most of the parents were asking future opportunities to the course in charges. The course in charges satisfactorily resolved the parents' queries.

**Suggestions received from the parents.**

- Advice on how to get an employment or pursue higher education.
- Program for undergraduate internships.
- Real-time information is obtained through practical training in business.
- Additional information about initiatives and industrial visits.
  
- To give students early notice of notes so they can study for lectures.
- A special programmed for competitive examinations, an aptitude test.
- To guide and motivate the students to overcome their failure during academics.

On behalf of the Department of Information Technology, RGIT all the parents have been requested for their cooperation to improve the education as well as the student profile. Finally, feedback form given to all parents. The meeting ended with Vote of Thanks delivered by Dr. Swati Narwane, Class Advisor (B.E).

## Skill Development Activities

**Title of the Activity:** Workshop on Advanced DevOps Lab

**Name of Resource Person:** Dr. Bhushan Jadhav, Associate Professor  
Department of AI & DS, TSEC

**Date:** 6<sup>th</sup> October 2023

**Time:** 11:00 AM to 4:00 PM

**Venue:** B-11 (Computer Center)

### **Brief Description of Activity:**

Department of Information Technology organized Workshop on Advanced DevOps.

Concepts of Advanced Devops were described with the help of practical demonstration.

The event started by giving the introduction and history of Devops and the need of Devops tool for the application deployment. Then further he explained the concept of AWS Cloud 9. In this session students learnt Git Hub is a developer platform to create, to store, manage and share their code. They understood Git hub is distributed version control, bug tracking task management and continuous integration for project.

Workshop also covered the advanced topics in Devops like

- Docker which focuses on the installation and configuration, it is used in development environment.
- Jenkins: it is an open source automation server, it helps in software development to building, testing and deploying continuous integration and continuous delivery (CI/CD)
- Puppet: software configuration management tool used for declarative language to manage stages of the IT infrastructure life cycle.

Number of students present: 56

**Outcome:** Resource person shared his expertise on the topic and engaged students in a dialogue. Communication with expert helped the student to develop multiple skills like critical thinking for the topic related to advanced DevOps tools.

Dr. Sunil Wankhade

HOD IT

Prof. Govind Wakure

Coordinator

## Impact Analysis

**Impact analysis of event:** Workshop on Advanced DevOps Lab

**Semester:** VI

**Name of Event Co-Ordinator:** Prof. Govind Wakure

**Name of Resource Person:** Dr. Bhushan Jadhav, Associate professor Department of AI & DS, TSET

**Number of Participants:** 56

SN	Feedback Point	High	Moderate	Poor	Impact Analysis
1	The relevance of methodology used by the resource person for the topic is	37	19		High
2	The compliance Level of the events objective is	40	15	1	High
3	At what level the contents of the event were sufficient to achieve the learning outcome?	38	17	1	High
4	Rate the usefulness of knowledge acquired for industrial application	37	19		High
5	At what level you are satisfied with the interaction of resource person?	40	16		High
6	At what level you liked the program ?	40	16		High
7	Efforts are made by IT Department to prepare industry ready students	41	15		High

Workshop on Advanced DevOps Lab was conducted by Dr. Bhushan Jadhav on dated 6<sup>th</sup> Oct 2023.

The main objective of this workshop was to fulfilled the gap of PO1, PO2, PO3, PO5, PO11, PO12 and PSO2 highly attained.

The impact analysis of workshop was calculated found to be substantial high and overall impact of the event was excellent.

Dr. Sunil Wankhade

HOD IT

Prof. Govind Wakure

Co-Ordinator

## **BASIC AICTE ATAL FDP PROPOSAL**

**Title of FDP: Enhancement of Healthcare using AI-ML for smart social environment**

**Proposed Dates: December 4<sup>th</sup> - 9<sup>th</sup> 2023**

### **IMPORTANCE OF THE TOPIC:**

Artificial Intelligence (AI) and Machine Learning (ML) are two of the most commonly employed technologies worldwide. The application of ML and AI in healthcare is not particularly new, but these technologies are constantly evolving and discovering newer use cases. In the 1970s, artificial intelligence applications were initially applied to healthcare. Since then, AI-powered apps have evolved and changed to impact the healthcare industry by reducing costs, improving patient outcomes, and increasing productivity in general.

Over 40% of industry experts currently regularly use AI and machine learning, according to a poll by AI in Healthcare. The healthcare machine learning and AI market is now several billion dollars in size. It is anticipated to grow significantly in the upcoming years. They will be relied upon more and more by healthcare professionals to assist them in analyzing vast amounts of patient data and creating more accurate and specialized diagnoses and treatment plans.

AI will be used more and more in the healthcare industry because of the complexity and growth of data in the sector. Payers, care providers, and life sciences organizations currently use a variety of AI technologies. The main application categories include recommendations for diagnosis and treatment, patient engagement and adherence, and administrative tasks. Although there are many situations in which AI can execute healthcare duties just as well as or better than humans, implementation issues will keep the jobs of healthcare professionals from becoming extensively automated for a substantial amount of time. The use of AI in healthcare and ethical concerns are also covered.

In our humble view, AI will have a significant impact on future healthcare options. It is the main capability underlying the development of precision medicine, which is universally acknowledged to be a critically needed improvement in healthcare. It takes the form of machine learning. Although early attempts at making recommendations for diagnosis and therapy have been difficult, we anticipate that AI will eventually become proficient in that field as well.

**The aim and objectives of the FDP:**

- To enhance domain knowledge and associated skills in AI-ML for Healthcare.
- To upskill faculties and research scholars in AI-ML tools and techniques for real-life problems.
- To develop the pedagogy-requisite teaching abilities necessary to efficiently convey knowledge and skills to students, plan instructional delivery scientifically, and evaluate teaching-learning effectiveness using AI-ML technologies for healthcare.
- To train in analysis, meaningful literature review, problem framework and creative problem solving in healthcare.
- To demonstrate faculties and research scholars' implementation of AI-ML for real-life case studies in healthcare.
- To incorporate new are of healthcare for smart social environment.

**PEDAGOGY:**

The proposed FDP (Faculty Development Program) would concentrate on new developments in healthcare and how AI-ML and research are incorporated. The AI-ML abilities will be taught through practical knowledge and methods for using them in research and teaching. Participants will receive an introduction to the research methodology for new trends in healthcare. The FDP will analyze and discuss two high-caliber journal articles on AI-ML in healthcare. The FDP will concentrate on pedagogical methods, which will use AI-ML technology. To test learning, the participants will be evaluated and assessed (theoretical and practical).

Collaborative, Experiential, and Outcome Based Teaching and Learning based Sessions, Case Studies, Presentation, discussions, Presentation, labs, etc. will be used.

**Target Group:** Assistant Professors/Associate Professors/Ph.D. scholars/PG students.

**Mode: - Offline.**

## **DEPARTMENT OF INFORMATION TECHNOLOGY**

### **Proposed Topics for Resource Persons (Concepts of applications/emerging trends):**

1. Introduction to AI and ML
2. Real life application of AI-ML
3. Roll of AI-ML in Healthcare
4. Data analytics in healthcare
5. Hands on basic of AI-ML
6. Hands on healthcare application using case studies  
(Will add more topics)

### **Expected Outcomes:**

Comprehensive FDP in the specific emerging/core subject area, Curriculum development and updating, understanding & practice of pedagogy are as follows:

- Basic and advanced concepts in AI-ML for healthcare
- Integration of healthcare with AI-ML and research.
- Application of Healthcare using AI-ML for smart society
- Increasing awareness of the value of intelligent healthcare systems to society.
- To grasp the empirical skills of AI-ML Technologies for healthcare.

**Details of Publication (July 2023 - Jan 24)**

<b>Sr. No.</b>	<b>Name of Staff</b>	<b>Title of Paper</b>	<b>Publication Details</b>	
1.	Dr. Sunil Wankhade	Automated Plant Disease Detection and Classification through Image Feature Extraction Using MATLAB.	ISTE Approved Journal in IJTE in UGC Care. 2024.	
		Smart Door Lock System Using Blockchain Based On Solana Technology	International Journal of Engineering Applied Sciences and Technology, 2023 Vol. 8, Issue 03, ISSN No. 2455-2143, Pages 85-88 Published Online July 2023 in IJEAST.	
		Enhancing Early Detection of Fake News on Social Media with a Dual-Branch Neural Network Model	Journal International Journal of Intelligent Systems and Applications in Engineering(ISSN:- 2147-6799),2023.	
		Fake News Detection by Integrating the Multi-Task Learning and Representation Learning Paradigms	IFERP,44th World Conference on Applied Science, Engineering & Technology. (44th WCASET- 2023)	
		<b>Patents Filed: 2</b> <b>Patents Published: 2</b>		
		1. Using Deep Learning to increase efficiency in electronic health record (EHR) practices	Application No.202321014577 A, The Patent Office INDIA Journal No. 18/2023 dated 05/05/2023.	
		2. A Hybrid Optimization driven Extreme Learning Machine (ELM) for Enhancing Classification.	Right number: 2021107084 with Australian Government under Innovative category. (Current Status: Grant).	
2	Prof. Anushree Deshmukh	An Analysis on Improving Deepfake Detection: An Image Based Approach	Journal of Data Acquisition and Processing by SCIENCE PRESS, BEIJING, CHINA.ISSN:1004-9037. DOI:10.5281/zenodo.777719 (October 2023)	
		An Analysis on Improving Deepfake Detection using Convolution Neural Network.	International journal of Intelligent System Technologies and Applications an Inderscience Publication.	

## DEPARTMENT OF INFORMATION TECHNOLOGY

### Faculty Achievements

Prof. Anushree Deshmukh and Prof. Ankush Hutke are pursuing PhD degree.

#### **Dr. Sunil Wankhade**

- Member, Board of Studies (Computer Engineering) - University of Mumbai 2024-2027.
- Member, Board of Studies (Information Technology) - University of Mumbai 2019-2023.
- Member, Board of Studies (Information Technology) - St. John College of Engineering and Management-An Autonomous Institute- Palghar 2024-2027

**DEPARTMENT OF INFORMATION TECHNOLOGY**  
**Bridging Curricular Gaps**

**List of Identified Curricular Gaps**

The courses and the course contents prescribed in the curriculum are mapped to the relevant POs and PSOs through individual course outcomes (COs). Curriculum gaps are identified through consolidation of average CO – PO/PSO mapping of all courses. The identified curricular gaps are as listed below.

<b>Gap No</b>	<b>Identified curricular gaps</b>
1	<b>Presentation and Communication Skills:</b> The different kind of skill set is required for the students to clear the aptitudes and interviews during placement.
2	<b>Additional Programming Skills</b> (.NET, Python, PhP,Advanced Java, R language, Type Script,angular JS, React JS, MongoDB etc.) Latest technologies programming skills are required as an advanced skill and out of syllabus content to be done.
3	<b>Industry Specific Skills:</b> (Android, network security, Cyber security, iOS, Oracle DBA, web based tools, IoT etc): Certification is an added advantage besides the degree achieved by the students.
4	<b>Competitive Skills :</b> Aptitude & Reasoning, Group discussions and Mock Interviews: Rigorous training for achieving the placement through the competitive skills.
5	<b>Project Development &amp; Report Writing (real time/research based projects):</b> Projects with research and application development along with premium publication increases the placement and the thinking ability of the students.

**Contents included in University Curriculum:**

## DEPARTMENT OF INFORMATION TECHNOLOGY

Following Gap was identified and communicated to University BoS while designing R-

19

Syllabus.

Semester and Subject as per old scheme	Semester and Subject as per new scheme	Remarks
(R 16) SEM: V Web Programming	(R 19 )SEM-VI Web X.0	The Curricular gap identified in above table are included in new syllabus. Typescript,angular JS, React JS, MongoDB.

### Curricular Gap

Year	Semester	Name of Subject	Gap
BE	VIII	Cloud Computing & Services	Industry specific skills:
BE	VII	Big Data Analytics	Industry specific skills:
BE	V	Internet Programming	Additional Programming Skills
TE	VI	Software Engineering	Project Development & report writing.
BE	VI	Wireless Technology	Industry specific skills.
BE	VI and VII	Artificial Intelligence and Data Science-I and II	Industry specific skills:

## **DEPARTMENT OF INFORMATION TECHNOLOGY**

### **1.1.2 State the delivery details of the content beyond the syllabus for the attainment of POs and PSOs**

#### **A) Steps taken to get identified gaps included in the curriculum (Letter to University/BoS)**

##### **Gap Identification**

1. Identified curricular gaps are informed to the University/Board of Studies of Information Technology.

2 To bridge the curricular gaps, various corrective measures are taken, like conduction of workshops, guest lectures, seminars on advanced topics etc.

Additional steps taken to bridge the curricular gaps:

1. Organized the project competition and seminars to bridge the curriculum gap in the syllabus
2. Organized the industrial visit/tours to bridge the curriculum gap in the syllabus and to give exposure to the current trends in technology & innovation.

#### **B) Delivery details of content beyond syllabus**

The department has initiated the following measures to bridge the identified curricular gaps.

- **Technical talk:** Students are kept updated about the advances in technologies through technical seminars, Organized the guest lectures, workshops, project competition to bridge the curriculum gap in the syllabus
- **Workshops:** The department has introduced a novel initiative for students, wherein they are encouraged to participate in hands-on workshops, thereby enhancing their application skills.
- **Soft skill training:** The department emphasizes on personality development through soft skills training programs to improve the employability of students.
- **Industrial visits:** Organized the industrial visit/tours to bridge the curriculum gap in the syllabus and to give exposure to the current trends in technology & innovation.

## **DEPARTMENT OF INFORMATION TECHNOLOGY**

- **Internships:** Students are encouraged to take-up short-term internships in industries and recognised R&D centers to understand industry practices. They are further encouraged to refer to the online subject contents

### **C) Mapping of content beyond syllabus with the POs & PSOs**

The following tables show details of Guest lectures, Workshops and Seminars organized to overcome curriculum gaps.

## Report On: Programmer's Date 2.0

- **Held on:** 13<sup>th</sup> February, 2024.
- **Time:** 10:30 AM to 2:30 PM.
- **Venue:** A61 & C61 Lab, RGIT.
- **No of Participants:** 60 (30 teams)

On the 13th of February, ABIT conducted the fun and technology-driven event, Programmer's Date 2.0, with precision. Participants were encouraged to demonstrate their proficiency in web development by building websites. The event was comprised of teams of 2 and the unpaired participants were assigned with a partner. They were equipped with a computer having internet connectivity, along with three optional problem statements:

- 1: Create a website for recommendations on gifts based on simple questions about the person.
- 2: Create a website for love of stray animals.
- 3: Create a proposal website for your partner.

The Participants were told to select the problem statement of their interest and work on it. The event centered on the participants to discussing ideas and plan algorithms and create their desired website with faculty and committee members dispersed throughout the labs, providing guidance, assistance, and aiding in the resolution of uncertainties and doubts. The candidates quite enthusiastically worked on their websites which ended up giving out great resulting websites.

**DEPARTMENT OF INFORMATION TECHNOLOGY**

The judging panel comprised of professors of the IT department. The event was concluded by presenting the vote of thanks, after brief remarks from Dr. Sunil Wankhade (Department Head) and Prof. Ankush Hutke (ABIT Student Conveyer), the winners were presented with awards. The top 3 winners were:

1<sup>st</sup> Winner: Shifa Shaikh and Manav Daggula.

2<sup>nd</sup> Winner: Charmi Panchal and Dhruvi Mehta.

3<sup>rd</sup> Winner: Yug Chapherkar and Vishal Barai & Sabquat Jareer and Sarvesh Raikar

The winners received cash prizes and certificates by Dr. Sunil Wankhade , Prof. Abhay Patil and Prof. S. K. Sabnis and all the other participants were awarded with Participation Certificate. In conclusion, the event served as a testament to the power of collaboration and innovation, leaving attendees inspired and eager to embark on future endeavours. The feedback offered by participants was of significant value.
